# Prioritization: Equipment Request Scoring

## M4C Customer Success

Item	Criteria	Score	Notes
1	In Colorado	4	
2	In neighboring state	1	
3	Hospital or Urgent Care	1	
4	ER,OR or front line workers	2	
5	High risk patients (non hospital)	2	Such as nursing homes, rehab centers
6	CHA Rural Member	1	<a href="https://cha.com/colorado-hospitals/find-a-hospital/">https://cha.com/colorado-hospitals/find-a-hospital/</a>
7	First responder	3	Police, fire or other emergency response teams
8	Urgent need (no PPE)	2	
9	Critical need (some PPE)	1	

Priority scoring is determined by adding the criteria values (10 is highest cumulative score)  
 All requests are kept confidential and all data is secured
